

Dear Friend:

The San Luis Obispo Association of REALTORS® will be holding its second **ECO-EXPO** August 22, 2009. Our goal is to provide education for our REALTOR® members, with a class on "Green Building for REALTORS®", in the morning, and hold the **EXPO** open to the public, in the afternoon.

For the **EXPO**, we wish to inform and educate the public about our city and county's efforts, plus various vendors, materials, contractors, architects, gardeners, existing structures, etc ... that lean towards Green Building and conserving energy. Our hope is that the public will take what they learn at our **EXPO**, and put this information to work by pro-actively being part of an energy solution.

This letter is to let you know that we are interested in what *you* might have to offer as an exhibitor...or as a sponsor for our event.

The event will be held at the San Luis Obispo Veterans Building", located at 801 Grand Avenue, San Luis Obispo. We hope we can count on your support and/or participation.

Please do not hesitate to call myself, or the chair of the SLO Eco-Expo committee Allyson Nakasone (805) 234-0809 or Donna Wood (805) 550-7189 should you need any further information.

Best Regards,

Lisa Smith
